OFFICE OF The Director of Archaeology,
Mysore

Date 1st December 1953

To

The Secretary to the Government of Mysore,
Home, Forest and Agriculture Departments,
Public Offices, Bangalore.I.

Sir

Arch 1-53-5

I write to state that the Children's Book Council (Sisu Sahitya Sangha), Jayanagar, Mysore, have been publishing an illustrated monthly magazine entitled "Kanda" which is devoted to the cause of the education of children. The General Secretary of this organisation has requested that photographs and blocks of views of art and architecture in the Mysore State available in this Department may be lent free of cost for purposes of reproduction in their journal and states that publication of such illustrations in the journal is likely to engender amongst children a spirit of appreciation of whatever is good and beautiful in the art of this country. Since this journal is solely devoted to an educational purpose and is maintained partly by grant-in-aid from Government, I recommend that the photographs and half-tone and other blocks of this Department may be lent free of cost for reproduction therein the number of such

illustrations being limited to one or two per journal.

I solicit kind orders of Government in the matter.

Yours faithfully,

(K.Narayana Iyengar)
Ag.Director of Archaeology. 3/12/15
